

SCOTTISH JUNIOR F.A.

Scottish Junior FA : Equality Policy

To promote, foster and develop, throughout its membership without discrimination against any organisation or person for reason of race, religion or politics, the game of Association Football and to take all such steps as may be deemed necessary or advisable for preventing infringements of the rules of the game or other improper methods or practices in the game and for protecting it from abuses.

Scottish Junior FA (SJFA) is the governing body for Junior Football under the jurisdiction of the Regions and Leagues of the SJFA.

The Equality Standard is a framework that the SJFA use to help take steps towards achieving equality, making sure all policies, procedures and decisions are fair. It is also a process that encourages our Association to attempt to eliminate the barriers that may be affecting member's ability to take part in Junior Football.

Purpose of the Policy

The SJFA recognises that certain members/staff may have been affected by past discrimination or may still be denied the opportunity to participate equally and fully in football at Junior level.

The SJFA has adopted this policy to prevent/tackle any potential/current discrimination or other unfair treatment, whether intentional or unintentional, direct or indirect, against employees and staff in football under its jurisdiction.

Statement of Commitment

The SJFA is fully committed to the principles of Equality and equal opportunities and is responsible for ensuring that no staff or member receives less favourable treatment on the grounds of age, gender, disability, race, ethnic origin, nationality, colour, parental or marital status, pregnancy, religious belief, class or social background, sexual preference or political belief.
