

DISCIPLINE

Procedure : Addendum

2022-23

Discipline : Club Officials

The undernoted was approved by the Association's Management Committee at their meeting on Thursday 15 November 2012.

Procedure

Any club Official removed from the Technical Area by a Match Official will require to move to an area within the ground where they cannot continue to cause a management problem for the Match Official.

For the avoidance of doubt, an Official removed from the Technical Area should move outwith a minimum radius of 30 metres of the Technical Area. He is then not permitted to continue coaching or shouting instructions to players, etc. Also, he must not be in the vicinity of the changing rooms (including access ways) prior to and during half-time and full-time.

In terms of an Official serving a number of match suspensions :

- The Official is not permitted to enter the changing room or the confines of the playing surface for one hour before until one hour after the game.

Fixed Penalties

N.B. It is the club's duty and responsibility to ensure these instructions are adhered to.

Failure to do so will result in the club being fined £100 for the first infringement and £200 for the second.

Guidance Notes

These guidelines will cover all games under permit from the SJFA and affiliated Regions, i.e. all Scottish Cup ties & Regional / Inter Regional games.
